SUNGLASSES WYNN TEAK

Frames with intricate designs combined with circular lenses constitute a timeless chic design of the Aarni Wynn Teak sunglasses. Do not settle for dull glasses, but build a personal summer style with Aarni Wynn Wooden Teak sunglasses.

The frames are made of layered teak wood. Teak is a highly appreciated wood material. Beyond its beauty, it also possesses great durability and resistance to water. The color may vary from a beautiful gold brown to a chocolate brown.

All Aarni sunglasses are delivered with a handy sunglass case made of cork.

- Lenses: Non-polarized CR39 lenses / Polarized polycarbonate lenses, 100% UV Protection
- Wood Material: Teak
- Hinges: Stainless steel spring hinges for a perfect fit

Please note that wood is a natural material and products may vary in colour and tone within the same wood species.
