

PH105006
MARGEAUX VASE

Handcrafted and lain in folds like a theater curtain, the MARGEAUX vase sways in elegant waves. Despite its unobtrusive 30 cm diameter, even with a flower bouquet inserted, MARGEAUX loves to be center stage and enchants one with its appearance. The highly polished stainless steel gives it a particularly special note - with a drapery that is unequaled.

- Material: Stainless steel, mirror-polished
- Diameter 30 cm, height 20 cm
