LADIES CONTRAST TIPPED COOLCHECKER POLO

A smart choice for businesses looking for workwear that reflects company branding, these polo shirts offer a two-tone contrast colouring. The ribbed knit collar and cuffs is colour tipped as is the neckband and placket. There is a three button fastening on the placket for a casual unbuttoned look or smart fastened up style. The Coolchecker fabric is designed to draw moisture away from the body and encourage air flow, so the wearer remains fresh and cool throughout the day. Side panels create an aesthetically pleasing fitted style for women.
